

Students present our magazine to students

On 25th February and 3rd March 2020 students from our school presented Student Voice to students of the 1st and 2nd grade of our Junior High School, Othisi, Greece. The students saw their classmates' posts in all sections. Congratulations to all the presenters but also to all the students who have contributed their ideas, texts, photos, audio files and videos as well as their drawing and digital skills for the creation of these posts. We are very grateful to our partners from all over Europe and Turkey for their hard work and commitment to our common projects!
